Your NSCC Pipeline email account is the primary means of communication from the college.

Your NSCC Pipeline email account is the official means of communication from the college and link to official NSCC alerts, notifications and announcements. Please be sure to set up your account today so that you will be ready for New Student Orientation and Registration.

1. Set up your Pipeline email today.

1. Your first step as a North Shore Community College student is to set up your **NSCC Pipeline Account**.
2. Please visit this address <http://pipeline.northshore.edu> to create your account with the college.
3. Look for the **"Set Up Your Account"** link and follow the simple steps to create your NSCC account.

Contact NSCC's Help Desk, if you experience problems setting up your NSCC Pipeline Account.

NORTH SHORE COMMUNITY COLLEGE
Reel Opportunities

Central Authentication Service

The Central Authentication Service is a single sign-on service that provides access to many secure North Shore Community College web services such as Campus Pipeline/Luminis, Gmail, and Google Apps.

If this is your first time accessing NSCC web services you may need to **Setup Your Account**. Need help remembering your username or password? Follow these links: [Forgot your Username?](#) or [Forgot your Password?](#)

Still need help? Check out the [Frequently Asked Questions](#) or contact the Help Desk at helpdesk@northshore.edu or call (978) 762-4000 x4167.

For security reasons, please Log Out and Exit your web browser when you are done accessing services that require authentication!

Enter your Username and Password

Password:

After you set up your Pipeline Account, record your **username** and **password** below.

NSCC Username _____

NSCC Password _____

2. Forward your NSCC Pipeline email to your personal email account.

Don't miss the message. Forwarding your NSCC Pipeline email to your personal email ensures you don't miss a thing.

Have another email account?

Forward your NSCC Pipeline email to your personal email account.

Forwarding is easy!

1. Open your Pipeline email.
2. Click the **gear icon**  in upper right corner, then select **Settings**.
2. Click the **Forwarding and POP/IMAP** tab.
3. From the first drop-down menu in the **Forwarding** section, select **Add new email address**.
4. Enter the **email address** where you'd like your messages sent.
5. **Confirmed!** You will receive a verification email at your new address to confirm forwarding.
